New Distributor of SWISSFLEX EYEWEAR for Brazil

As of October 6, 2025, Expectro Distribuidora is the new official distributor for Swissflex Eyewear. Expectro Distribuidora will manage and develop the Swissflex Eyewear System in accordance with our agreement and guidelines, as well as their business approach.

The distribution agreement between Eye-Systems GmbH and BrazilComEx was unofficial, and the prepared distribution contract was never valid because the contracted duties were not implemented by BrazilComEx.

Therefore, BrazilComEx is not allowed to communicate, sell, or service Swissflex Eyewear in Brazil anymore.

For repairs and warranties by opticians in Brazil, Eye-Systems will supply Expectro Distribuidora with Swissflex frame parts.

For further information on selling Swissflex Eyewear, please contact our new distributor.

We are looking forward to fruitful cooperation and mutual success in Brazil.
